In about one week my scalp was covered with scales which looked like dandruff but became worse each day until at the end of another week the scales were as large as on a fish. "I used tar soap for a shampoo but it took no effect. At the end of three weeks the back of my head was completely bald. I was a sight when I decided to try the Cuticura Ointment for the hair, and when I saw the wonderful results I decided to try the Cuticura Soap and Ointment on my body. After taking six baths in hot water with plenty of Cuticura Soap, and using three boxes of Cuticura Ointment and one bottle of Cuticura Pills. I was cured. My hair has grown more than an inch in length.

"Before using the Cuticura Soap and Ointment I lost all of my lunger nails and my hands were so sore I recold not put them in water. If I had tried them soaser I would have saved a few handred dellars." (Sarned) Mrs. K. Detleison, 651 Knickerbocker Ave., Brooklyn, N. Y., Jan. 24, 1911.
